

I started The Drama Studio from a very young age at Murrayfield Church. I remember this time to be when I found my love for acting and musical theatre. I moved to Viewforth Church and performed in many shows at Adam House theatre such as "Sweet Revenge" and one of my personal favourites "Elements" in which I played the 'evil fire creature thing" where I wore a crazy costume. When I began high school I was still going strong at drama studio and moved to Holy Corner church where I remember performing in lots of amazing shows at the Music Box such as "The Bewitching of Christie Shaw" and "The Rime of the Ancient Mariner". I made some very valuable friends at Drama Studio that I am still in touch with now. I would like to majorly thank Louise and Julie for helping me to learn so much and find my passion. I wouldn't be pursuing my course in musical theatre and performing arts now if it wasn't for them. The Drama Studio taught me so much about myself and also a lot about singing and dancing at the musical theatre club too. I had some of the best times of my life at the drama studio and will always remember them as I hopefully go on to perform in the west end!

Lots of love Alex Booth xxx

Alex is studying at MGA, Performing Arts
