

*I'd just like to thank you for introducing me to performance through the Drama Studio. I absolutely loved my time there and I still use what I learned about myself and about performing now. I went on to study theatre, still perform loads and am planning a career in theatrical arts - and it's all thanks to the seven-year-old me's decision to join the Drama Studio! I hope you're well and wish you all the best and keep doing what you're doing - it changes lives!*

*Love Jessica Brodie x*
