

Julie, I will never forget my many years at The Drama Studio. They were some of the funniest years of my life. I used to look forward to Fridays so much, it was the best day of my week. I loved playing things like the 'bench game' and freeze before we started rehearsing. I really enjoyed doing Masquerade and The Bewitching of Christie Shaw. My favourite quote from that being 'THIS IS A CHRISTIAN TOWN WITH CHRISTIAN VALUES' - I still quote this on a daily basis haha. My favourite show however was definitely our last one, Send ups from Stage and Screen as it was hilarious and utterly mad (like Scott, Annie, Laura, Rachel, Alex and I). "I lost our only needle in an 'aystack." "The baby got caught in the mangle." I will never forget my time at The Drama Studio and wish I could come back. Thank you for so many years of fun and hilarity, I miss it so much. And thank you for putting up with our insanity, we must have been a right pain in the bum haha! Wish you all the best in the future and remember - no more coupons on the back of cereal packets.

Love, Julia Sargent xxx
