

*'A Wednesday afternoon at Dreghorn Loan Church Hall, a painfully shy and weepy 6 year old is thrust into a hall of kids his own age and above. From then on, he encounters boozy vampires, to dinner ladies, to gangsters, to ghosts, fairies and everything else in between, and encounters some of the most cherished memories, experiences and characters of his childhood! The Drama Studio will ALWAYS have an amazingly special place in my heart. It has provided me and my family with a lifetime's worth of entertainment and memories that we will cherish forever. The sense of community and family was immense and it gave me a confidence to pursue something I love very much. Thank you Drama Studio!! I love you all very much and thank you from the bottom of my heart for everything. Long may you prosper!!*
